Flipster Advanced Searching - Guided Style Find Fields

Flipster advanced searching with guided-style find fields assist you in creating a more targeted search.

To use Advanced Search with Guided-Style Fields:

1. Click the Advanced Search link below the Find field.

2. Enter your search terms in the first Find field on the Advanced Search screen.

3. Choose the search field from the optional Select a Field drop-down list. For example, search in only the Title (TI) field of a magazine.

4. Repeat steps 1 and 2 for the second set of Find fields.

5. Select a Boolean operator (AND, OR, NOT) to combine the two Find field entries.

6. You can enter another Boolean operator, keyword, and search field in the third set of fields.

7. Select from the available Search Options:
   - Search modes - Use specific search modes, such as "Find all my search terms," or "SmartText Searching."
   - Limit your results - such as Magazine, Publisher, or ISSN.

8. Click the Search button. The Result List displays.
9. Click on a title or the Read This Issue link to read it in the Flipster viewer.
