How many versions of Explora are available?

Currently, there are several versions of *Explora*:

- *Explora* for Primary Schools (K-5)
- *Explora* for Secondary Schools (6-12)
- *Explora* for Public Libraries (teens through adults)
- *Explora* for Canadian Primary Schools
- *Explora* for Canadian Secondary Schools & Public Libraries (teens through adults)
- *Explora* for Australia/New Zealand Primary Schools
- *Explora* for Australia/New Zealand Secondary Schools & Public Libraries (teens through adults)

Content will vary depending on which databases are added, and the landing page of the Primary School version is designed for younger audiences. Middle schools are encouraged to use the Secondary School versions.
