Energy Resources Promotion Kit

Below you will find an array of materials for promoting your valuable energy-related online resources throughout your organization. Included are Basic and Advanced Search help sheets, searching tutorials in Flash and PowerPoint formats, sample notification email text, EBSCO's Search Box Builder Tool, an informative flyer, and informational links.

Video & PowerPoint Tutorials
Our video tutorials provide audio narration with matching text to guide users on how to use the databases. Our accompanying PowerPoint versions offer the same helpful information in slides.

- Business Source: Basic Searching Tutorial
- Business Source: Advanced Searching Tutorial
- Petroleum Abstracts TULSA® Tutorial
