How can I link from ChemPort by Chemical Abstracts Service to Full Text Finder?

The administrator must contact CAS Customer Service to request additional information and obtain access to a website for maintaining the *In-house Link Option*. (Some administrators delegate the technical work of site administration to their webmaster or web-technology expert.) The administrator is responsible for supplying and maintaining the information required to activate the in-house link.

This information includes:

- **Resolver Base URL**: [http://resolver.ebscohost.com/openurl](http://resolver.ebscohost.com/openurl)
- **Text**: Check *Full Text Finder* for more information.
