Full Text Finder - Advanced Search - Single Find Field

EBSCO research interfaces allow users to conduct advanced searches using a Single Find field. The Single Find field offers ease of use to expert researchers who have developed more extensive search strategies.

To use Advanced Search with Single Find Field:

1. Click the Advanced Search link below the Find field.

2. On the Advanced Search Screen, enter your search terms in the Find field.

3. If desired, select to restrict your results to a Title search or an Author search using the drop-down menu to the left of the Find field.

   Note: Selecting Title will employ the Boolean/Phrase search mode while selecting Author will employ the Find all my search terms search mode.

4. Select from the available Search Options:
   - Search modes – Use specific search modes, such as “Find all of my search terms,” or “SmartText Searching,” or use search options that expand your search such as “Apply related words.”
   - Limit your results – such as Full Text or Publication type.

5. Click the Search button. The Result List displays. The search field is displayed above the Result List. Your search terms, limiters and expanders are retained. To revise your search, you can apply the limiters under Limit To. Click the Show More link to view all available limiters and expanders.
