How do I change the default language of my EBSCOhost interface when creating a new profile?

Library administrators can change the default language of the EBSCOhost interface text into one of the following:

- Arabic
- Bahasa Indonesian
- Brazilian Portuguese
- Croatian
- Czech
- Danish
- Dutch
- Finnish
- French
- German
- Greek
- Hebrew
- Hungarian
- Italian
- Japanese
- Korean
- Norwegian
- Persian
- Polish
- Romanian
- Russian
- Simplified Chinese
- Slovenian
- Spanish
- Swedish
- Thai
- Traditional Chinese
- Turkish

To change the default language:

2. From the Customize Services Tab, click on the Profile Maintenance link.
3. Select the profile by clicking on the profile name link.
4. From the drop-down list in the Language field, choose the default language for this profile.
5. Click Submit.
