Curriculum Builder: An LMS Plugin Hosted by EBSCO

This page enables you to browse all of the available support documentation related to Curriculum Builder.

Curriculum Builder is an add-on service for EBSCOhost and EBSCO Discovery Service (EDS) that enables you to bring the world of quality databases, e-books, and other digital resources from your EBSCO databases (EBSCOhost) or EDS easily and directly into the online learning environment. Here you'll find helpful FAQs, documentation and video tutorials on configuring, administering and using Curriculum Builder.
